

## **Analysis of the survey for community use of St Francis Hall**

52 Survey responses between 8 March 2024 and 14 June 2024

The results have been analysed in two ways:

1. Overall results for each question. This shows respondents' feelings about each of the suggested uses – yes, no and maybe. The pie charts give a visual indication of these preferences.
2. Results analysed by ranking them according to the number of 'yes' responses and the number of 'no' responses. This is useful to give an overall picture of what the most – and least – preferred choices were.

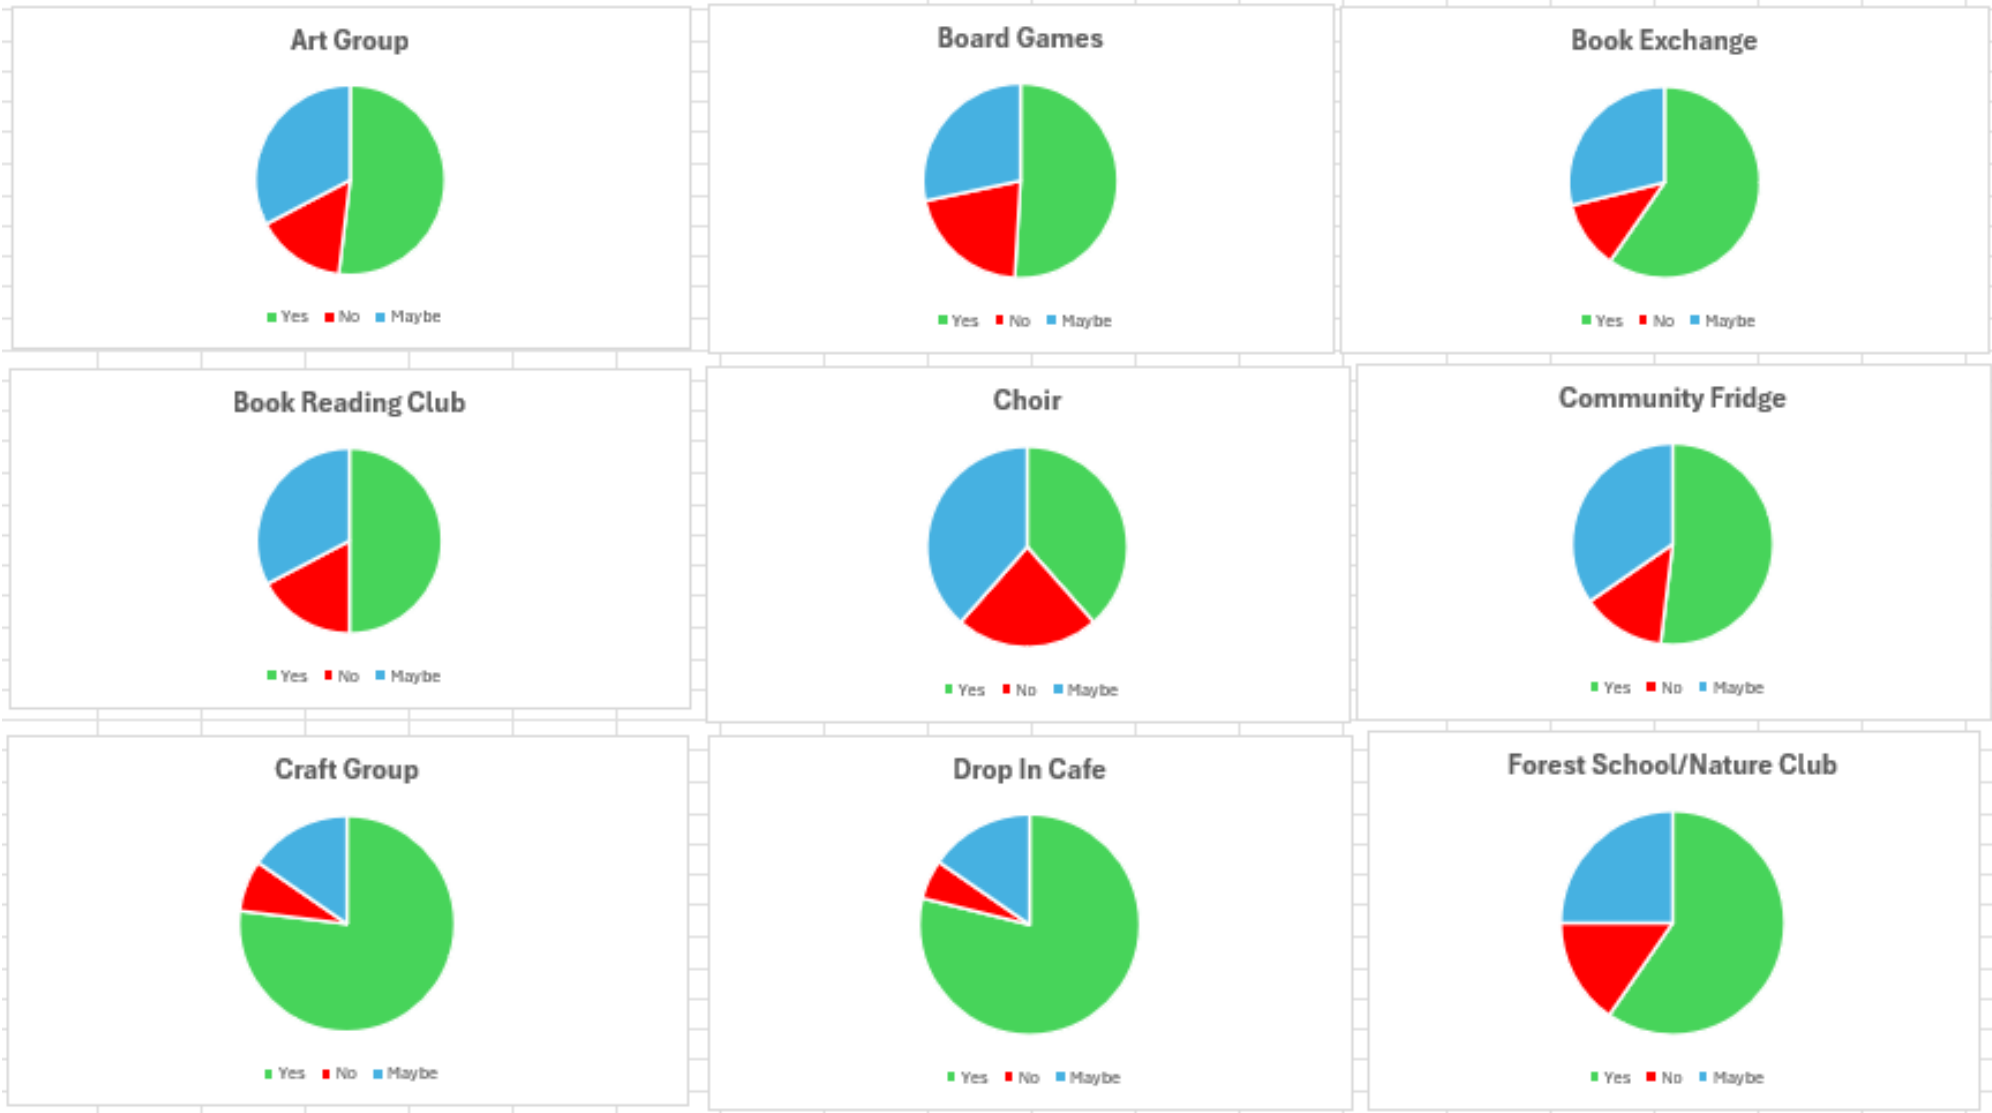

The last page shows the responses to the 'what else would you like to see' question.

Please bear in mind that although the survey has indicated some activities or uses of the hall gained more interest than others, this should be seen as a useful starting point and not a blueprint.

**'No' responses**

## Survey responses - add your own activity you'd like to see

A food pantry or market which would be accessible to all.

I have been to the hall for a meditation workshop and it was very peaceful there.

There is a shortage of halls for hiring out weekends for Clothes Swaps, Craft Destash, Childrens parties, Charity sales stalls and many other events.

Pilates classes, although this along with yoga could come under the keep fit umbrella

The building will be too costly to buy, repair and maintain. The land should be sold and affordable homes built.

The Waterside is desperate for affordable housing.

Generate income to make this project sustainable; full cost recovery, realistic hire charges. Ensure minimal disruption to neighbours.

Definitely a drop in centre, community fridge etc.

Bric a Brac / Swap shop

Jumble Sales

Saturday/ Rainy day club for children

Local community committee meeting to help support a more inclusive local community

Tai Chi

I'm sure the money would help by hiring out the hall for kids party's etc..

Warm hub in winter with hot drinks and activities to save on fuel bills, guest speakers, jumble sales and other sales/farmers market.

Satellite for advice services like Citizens advice, MIND, disability and elderly charities and support, police consultation/neighbourhood watch etc, mens groups. Collection point for Ukraine and disaster emergency donations, holiday clubs and youth groups.

Venue for martial arts, scouts/guides and dance lessons etc.

Would love a community choir as I currently have to drive 30mins across forest to mine!

It would be a shame to lose an open community space within the local area. It would be nice to keep Langley quiet and community oriented.

Post office once a week

Bank once a week

Pilates

Classical concerts

Use the hall for ad hoc classical music groups (I am a classical musician and teacher in Hythe)

Start a new chamber music group

General coffee get togethers

School holiday club.

Holistic group/events/fayres

Local artisan fayres

Children's party hire

Sewing socials but good supply of electrical sockets is required for the sewing machines.

Photography

Social dancing

Photography, Amateur dramatics group, writers circle, jewellery making course, bereavement support group.
